

FABIO ANTONUCCI

Materials Engineer · iOS Developer · Electronic Music Producer

fabioantonucci6@icloud.com | Napoli, Italy | haartt.github.io | linkedin.com/in/fabio-antonucci-8008522a6 | github.com/haartt | DOB: 27 Mar 1998

PROFILE

Materials Engineering graduate (BSc, Federico II, 101/110), currently enrolled in the Laurea Magistrale in Ingegneria dei Materiali at Federico II. Self-taught electronic music producer and certified sound technician (EQF 4). Student at the Apple Developer Academy in Naples; Swift Student Challenge 2026 winner. Background spans engineering, audio, and software development.

EDUCATION

Laurea Magistrale in Ingegneria dei Materiali

Università degli Studi di Napoli Federico II

Ongoing.

Oct 2024 - Present

Naples, Italy

Apple Developer Academy

Università degli Studi di Napoli Federico II

Full-time iOS development programme. Built 7 apps across team and solo projects. Awarded Swift Student Challenge 2026 (Apple WWDC) with PocketChop.

Oct 2024 - Present

Naples, Italy

Sound Technician Certification (EQF Level 4)

Regione Campania

Hands-on qualification covering sound design, signal routing in live audio and AV systems, live mixing, and studio recording techniques.

2024 - 2025

Naples, Italy

BSc Materials Science & Engineering (L-9) - 101/110

Università degli Studi di Napoli Federico II

Graduated 101/110. Collaboration with Regione Campania.

Oct 2019 - Jul 2024

Naples, Italy

Liceo Scientifico

Liceo Tito Lucrezio Caro

Scientific high school diploma. Mathematics, physics, Latin, philosophy. Diplomato con 99/100. 1st place, C2 category - Giochi d'Autunno national mathematics competition (2015).

Sep 2014 - Jun 2019

Naples, Italy

Bournsville College, Birmingham

EU-funded programme

C1 English.

Jul 2018 - Aug 2018

Birmingham, UK

EXPERIENCE

Electronic Music Producer

Self-employed

Self-taught producer since age 14. Covers composition, sound design, mixing and mastering across multiple genres. Expanded practice into audio-visual live performance using TouchDesigner for real-time generative visuals driven by audio signals. DAWs: Ableton Live, Logic Pro, FL Studio.

2014 - Present

Naples, Italy

Bar Desk / Help

2023

Naples, Italy

PROJECTS (AT APPLE DEVELOPER ACADEMY)

PocketChop (iOS, iPadOS) - Swift Student Challenge 2026 Winner 2026

iPad . iPadOS 18.1+ . Built in Swift Playgrounds

Swift Student Challenge 2026 - Winner. Stack: SwiftUI, AVFoundation, UIKit.

Tinto (iOS, iPadOS) 2026

Apple Developer Academy - App Store

Museum companion app for children. Scan any artwork with the camera, extract its colour palette, and mix primary colours to unlock each shade. Published on the App Store.

Storease (iOS) 2026

Apple Developer Academy - TestFlight

Point camera at a photo - Vision and FoundationModels (on-device LLM) generate branching story options. Memories become narrative.

2089 (iOS) 2026

Apple Developer Academy - TestFlight

Decision-making narrative game set at humanity's breaking point. Three factions, one player, branching outcomes.

Compass (iOS) 2025

Apple Developer Academy - GitHub

Daily fortune app powered by Apple FoundationModels - fully local and offline.

SKILLS

Programming:	Swift / SwiftUI . UIKit . AVFoundation . Xcode / Xcode Cloud
Audio:	Ableton Live . Logic Pro . FL Studio . Pro Tools (basic) . Sound design . Live mixing
Visual / Interactive:	TouchDesigner . Illustrator . Photoshop . Affinity Publisher
Engineering:	Materials characterisation . Acoustic testing . Lab instrumentation
Productivity:	Google Workspace . Git / GitHub . Figma (basic)

LANGUAGES & CERTIFICATIONS

Italian:	Native
English:	C1 - Cambridge English Advanced (FCE, with distinction) . B1 Preliminary

Certifications:

Apple Swift Student Challenge 2026 - Winner (WWDC 2026)
Sound Technician - EQF Level 4, Regione Campania (2025)
Cambridge English C1 Advanced (FCE)
Cambridge English B1 Preliminary
1st place, C2 category - Giochi d'Autunno Mathematics (2015)
Driver's licence: A, A2, B

INTERESTS

Acoustic materials research . Electronic music production and live AV performance . Sound design . AI / LLM . iOS and Swift development . Graphic design and illustration . Cultural exchange
